One-day tour registration time: **July 16, 2018 to July 20, 2018**

1. The Oriental Pearl TV Tower

The Oriental Pearl TV Tower is located in Pudong Park in Lujiazui, Shanghai. The tower, surrounded by the Yangpu Bridge in the northeast and the Nanpu Bridge in the southwest, creates a picture of 'twin dragons playing with pearls'. The entire scene is a photographic jewel that excites the imagination and attracts thousands of visitors year-round.

This 468 meters high (1,536 feet) tower is the world's third tallest TV and radio tower surpassed in height only by towers in Toronto, Canada and Moscow, Russia. However, even more alluring than its height is the tower's unique architectural design that makes the Oriental Pearl TV Tower one of the most attractive places anywhere.

2. Yu Garden

The Yu Garden is believed to have been built in the Ming Dynasty, more than 400 years ago. The exquisite layout, beautiful scenery, and the artistic style of the garden architecture have made the garden one of the highlights of Shanghai.

3. Nanjing Road

Nanjing Road is the main shopping street of Shanghai, China, and is one of the world's busiest shopping streets.

Today's Nanjing Road comprises two sections, Nanjing Road East and Nanjing Road West. In some contexts, "Nanjing Road" refers only to what was pre-1945 Nanjing Road, today's Nanjing Road East, which is largely pedestrianised. Before the adoption of the pinyin romanisation in the 1950s, its name was rendered as Nanking Road in English.

4. The Bund

For a century, the Bund has been one of the most recognizable symbols and the pride of Shanghai. The architecture along the Bund is a living museum of the colonial history of the 1800s. You've never been to Shanghai if you haven't seen the Bund.

Note:
